### Acknowledgements

The *District Health Barometer* (DHB) is a collective effort. This report could not have been prepared without the generous contribution of numerous individuals and groups who have been instrumental in the realisation of this publication.

The National Department of Health (NDoH) is acknowledged for the use of data obtained from the District Health Information Software and the electronic TB register (ETR.Net and EDRWeb).

The health expenditure data were obtained from the National Treasury.

A special thanks to Gail Andrews, Jeanette Hunter and Yogan Pillay from the National Department of Health who reviewed several chapters within their branches, and provided necessary guidance to the DHB team.

We thank Thulile Zondi at NDoH for chairing the DHB Technical Work Group (TWG), and for chapter reviews.

Thanks go to Gaurang Tanna and Roanda Pretorius at NDoH for their contribution to the alignment of the district chapters to the District Health Plan format.

Our thanks also go to the members of the DHB TWG for their input and advice. The members for the 2016/17 edition include:

Lesley Bamford (National Department of Health)  
Tshilidzi Muthivhi (National Department of Health)
