Acknowledgements

The District Health Barometer is a collective effort. This report could not have been prepared without the generous contribution of numerous individuals and groups who have been instrumental in the realisation of this publication.

The National Department of Health (NDoH) is acknowledged for the use of data obtained from the District Health Information Software and the electronic TB register (ETR.Net).

The health expenditure data, so crucial to the complement of indicators, was obtained from the National Treasury. Our thanks go to Mark Blecher for supplying the information and for his help with the interpretation thereof.

The Burden of Disease Research Unit, South African Medical Research Council in Cape Town is acknowledged for the use of the burden of disease data.

Our thanks go also to the members of the DHB advisory group for their input and advice. The members for the 2014/15 edition include:

Peter Barron (Independent Consultant)
Gaurang Tanna (NDoH)
Nhlanhla Ntuli (NDoH)
Lindiwe Mvusi (NDoH)
Ruanda Pretorius (NDoH)
Perpetual Chikobvu (FSDoH)
Robin Dyers (WCDoH)
Candy Day (HST)
Naomi Massyn (HST)
