

South African Health Review 2007

South African Health Review 2007

**Published by the
Health Systems Trust**

Information presented in this Review is based on best available data derived from numerous sources. Discrepancies between different sources reflect the current quality of data. All data should thus be interpreted carefully, and with recognition of potential inaccuracy.

The views expressed in this Review are those of the individual authors and do not represent the views of their respective organisations/institutions or the Health Systems Trust.
