

# Acknowledgements

## Editors

Ashnie Padarath and René English.

## Editorial Advisory Committee

We extend our thanks to Editorial Advisory Committee members Peter Barron, Andy Gray, Jeanette Hunter, Thulani Masilela, Laetitia Rispel and Jimmy Volmink. Their contribution helped to guide the development of the Review and maintain high standards of academic rigour.

## Contributing authors

We acknowledge with gratitude the individual authors' commitment to contributing to the Review and responses to editing demands, often at short notice, despite their competing responsibilities.

## Peer reviewers

We express our sincere appreciation to all the peer reviewers who, in the spirit of collegiality, made many insightful comments and thus strengthened the quality of the chapters in this Review. In particular we are grateful to:

Lesley Bamford, Rakshika Bhana, Stiaan Byleveld, Cephas Chikanda, Barry Childs, Kathryn Dreyer, Beth Engelbrecht, Sharon Fonn, Bernhard Gaede, Toyin Gbabe, Faith Kumalo, Shelley McGee, Ozayr Mohammed, Jack Moodley, Helen Schneider, Ann Strode, Dirk Taljaard, Maureen Tong, Krishna Vallabhjee, Ronel Visser, Charles Wiysonge, Victoria Pillay-van Wyk.

## Access to data

We are grateful to the National Department of Health for providing access to various data sets used in this Review.

## Other support

Compiling a publication like the *South African Health Review* is a huge undertaking that requires collective input and support from a wide range of people. We owe a debt of gratitude to Judith King for her incisive and meticulous editing. We acknowledge the contributions of Samukelisiwe Mahlawe for her work on the referencing and other editorial support. We also thank other staff members of Health Systems Trust for providing various types of assistance and support, particularly Algernon Africa, Judith Annakie-Eriksen, Wendy da Costa, Candy Day, Alastair Diack, Natasha Esau, Delene King, Themba Moeti, Primrose Ndokweni, Nompumelelelo Xulu and Duduzile Zondi.

The role of the Board of Trustees, particularly the input of the Health Systems Research Sub-committee, is gratefully acknowledged.

We thank Lynda Campbell of The Press Gang for maintaining the high standard of layout and design that has become associated with the Review. Thanks are also due to Anjana Bugwandeen for assisting with the referencing.

## Funders

This publication was supported by a grant from the South African National Department of Health.
